Summer Camp 2022

Anthony Wayne Preschool and Daycare is excited to offer Summer Camp 2022! The camp is available for 3-5 years-old. We offer children full-day opportunities to learn in group experiences related to their spiritual, social, emotional, physical, and intellectual development. We are dedicated to providing your preschooler an opportunity to learn and grow in a developmentally appropriate environment rich with many areas of discovery for your child.

This year's theme is Let's Explore! Every week of summer camp will explore different topics like gardening, cooking, camping, STEM, zoo, nature, etc. Planned lessons include experiences with various areas such as, dramatic play, rhythm songs, storytelling, observations of nature, games, and physical coordination activities. Every week we will also have a planned water day full of outside water activities. Involvement in these activities brings opportunities for the children to develop socially as they interact with their peers. Working well with their peers is a goal for all children. They learn to work and play independently and develop self-confidence.

Parents are informed daily through our communication app HiMama. This app allows for parents to see lessons, communicate with teachers, receive pictures, and track their daily needs such as toileting and eating habits.

We offer the following options for the Summer:
